STATEMENT OF UNDERSTANDING AND CONSENT

I have applied to Educare Staffing Services Ltd. (the "Company") for employment. Part of the hiring process is an investigation into my background and of information I have provided. I hereby authorize, direct, and consent to the Company and/or its authorized agents to conduct investigations into my background. These investigations might include, but are not limited to searches for information about my record of criminal convictions, education records, professional certifications, personal character references, employment history and any other public information file in local, provincial or federal agencies that may be relevant to my employment with the Company.

I hereby consent to and understand that the Company will use the information collected pursuant to these investigations for the purposes of (if and as applicable) establishing, managing and terminating my employment, including without limitation, evaluating my employment application and suitability for ongoing employment, determining employment eligibility under the Company's employment policies, and otherwise as may be permitted or required by law.

I authorize, direct and consent to the release of records obtained through such investigations to the Company and/or its authorized agents for the purposes described above. In addition, I release and discharge the Company, its agents and affiliates, to the fullest extent permitted by law, from any claims, damages, losses, liabilities, costs, expenses or any other charge or complaint filed with any agency as a result of retrieving and reporting this information.

I understand that this disclosure and consent for obtaining a background report will also apply to any future update investigations the Company may conduct for the above purposes so long as I continue to be employed by the Company.

I have taken the time to read this document, fully understand it and voluntarily consent to the background investigations described herein. I certify that the contents of this application are, to the best of my knowledge and belief, a true statement.
